CHILDREN'S CIRCLE TEACHING STAFF

Lead Teacher

My name is Stephanie Sanchez, and I have been working with the Town of Windor Preschool since 2018. I have been the assistant teacher in Kinderclub for the past four school years, but am excited to start as Lead Teacher for Children's Circle this year! I have an Associate Teacher Certificate in Child Development from the Santa Rosa Junior College. I live in Santa Rosa with my husband, son, and daughter. I feel privileged to be working for the Town of Windsor Preschool Programs and to be part of your child's learning experience!

Assistant Teacher

My name is Kylea Knoles and I'm returning for my third year teaching with the TOW Preschool Programs. I live here in Windsor with my husband and three children, all of whom went through the Town of Windsor Preschool Programs and now attend Windsor schools. I am very excited to be on the teaching side of the preschool programs! I have my B.A. from the Hutchins School of Liberal Studies at Sonoma State University and has taken many Early Childhood Development classes at SRJC. I enjoy camping with my family and crafting/sewing with my mom and oldest daughter.
