Program Purpose:
The Windsor Hometown Heroes Military Banner Program (Program) was created and exists in order that the community may recognize and honor individuals on active duty or active reserves in the military by displaying the honoree's photo, name and armed service information on a banner to be flown from light standards throughout the Town.

Banners will be displayed on existing acorn light standards located in Windsor will remain on display as long as the service member is on active duty.

Eligibility:
Banner candidates must be on active duty or active reserves in one of the branches of the U.S. Armed Forces. The U.S. Armed Forces include the Army, Navy, Air Force, Marine Corps and Coast Guard. The service member must either be a resident of the Town of Windsor, have graduated from Windsor High School, or have an immediate family member residing or working in the Town (spouse, parent, grandparent, brother, sister, son, daughter, aunt or uncle).

Proof of eligibility includes but is not limited to, possession of a United States Uniformed Services Privilege and Identification Card (U.S. Military ID, Geneva Conventions Identification Card, Common Access Card or a USPIC). This is an identity document issued by the United States Department of Defense to identify a person as a member of the Armed Forces. In addition, possession of a DA Form 2-1 (Enlisted Record Brief) or DA Pam 600-8 (Officer Record Brief). An Enlisted or Officer Record Brief is a one-page Army form that provides a summary of an enlisted Soldier's qualifications and career history. If serving in active reserves, a DD Form 214 (DD 214) is required. This is a form issued upon a military service member's retirement, separation, or discharge from active-duty military. Proof of eligibility can include other forms deemed appropriate by the Committee.

Application, Installation and Retirement Process:
An application shall be completed and submitted by a friend or family member with a color portrait-style photo (digital or hard copy) of the honoree in service clothes (dress uniform preferred). Whenever possible, the honoree shall give the friend or family member permission to recognize him or her on a banner. This permission does not have to be in writing.

Once the application is approved by the Committee the following will occur:
1. Funding established
2. Banner ordered
3. Banner presentation scheduled at a future Town Council meeting
4. Banner hung (in accordance with the banner hanging schedule)

Once at least six (6) applications have been received and processed, a formal ceremony will be scheduled, and friends and family members will be notified. No more than twenty (20) service members will be honored at a ceremony at one time.

Banner Retirement

When an honoree is no longer on active duty, his or her banner will be retired. Unless the honoree received a less-than-honorable discharge, a Banner Retirement Presentation, to be held at a Windsor Town Council meeting, will be scheduled as soon as possible after the removal of the banner from its acorn light standard. The honoree's contact person will be notified and requested to inform the honoree's family and friends. The banner will be presented to the honoree, if available, and, if not, to a family member or friend.

Upon receipt of a DD Form 214 (DD 214), it is requested that the family provide a copy to the Town to certify the release or discharge from active duty. This is a form issued upon a military service member's retirement, separation, or discharge from active-duty military.

Upon notice and determination that an honoree has received his or her DD 214 the banner will not be removed until the following steps have occurred:

a) The Committee has made a consensus to schedule the removal of the banner;
b) The family or friend has been contacted by Town staff or a committee-approved Committee member;
c) If possible, the banner removal is coordinated with the use of a rented lift for other town projects – so as to not incur any additional lift rental costs.

Once a year, designated Committee Members make their best effort to reach out to the honoree's contact person for a status update. If, after three (3) years, there has been no communication with the honoree's contact person or the honoree, the banner will be removed from its lamp post. The banner will remain in Town staff possession for one year, should the honoree's family wish to pick it up.
