Resources for Businesses in Sonoma County

COUNTY OF SONOMA | ENERGY & SUSTAINABILITY

Welcome!

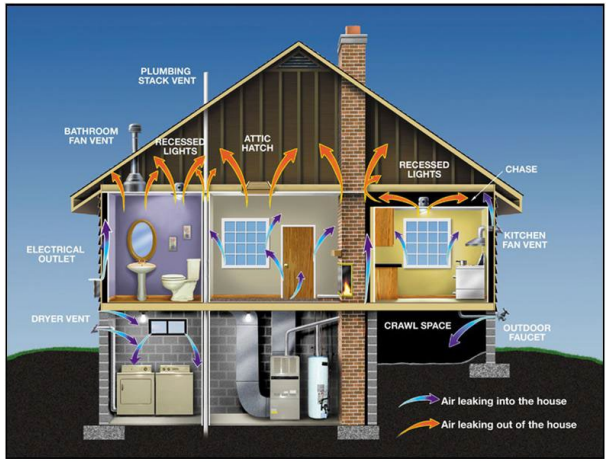

Presentation by:
Leslie Granados
Program Specialist
County of Sonoma
Energy and Sustainability

Better Buildings Start Here

Be Resilient

Healthier Buildings

Energy Independence

Save Money, Energy, and Water

Better Buildings – What We Do

Site Visits and Building Audits ✸ Green Business Certification

Sustainability Workshops ✸ Qualified Contractor List

Financing and Rebates ✸ Specialized Trainings

Consulting and Project Planning

COUNTY OF SONOMA
ENERGY AND SUSTAINABILITY

Resources for Small and Medium Businesses

- **Services**
  - Evaluate energy use and building systems
  - Create an Energy Efficiency Roadmap as a guide for upgrades and savings
  - Connect client and resource programs to match needs (incentives and financing)
  - Assist with Benchmarking through Energy Star Portfolio Manager
  - Provide technical consultations and project planning assistance
  - Green Business Certification

PG&E

BAYREN
Local Governments Empowering Our Communities

In Sonoma County, BayREN public programs complement PG&E LGP Programs so that the County can offer a full suite of services. Contact energy@sonomacounty.gov for more information.

Energy Efficiency Roadmap

- Provided at no cost
- Optimize energy efficiency
- Evaluate and prioritize improvements
- Create a project plan
- Identify short/mid/long term Energy Conservation Measures
- Comprehensive report to present to decision makers

Energy Efficiency Roadmap

- The "Energy Conservation Measures" below correspond with your Energy Efficiency Roadmap Report
- Improvements are presented in highest to lowest priority

Ongoing Maintenance

- Create Maintenance Schedule
- Retrocommissioning

ECM6-9

- HVAC Replacement
- VFDs on Fan Motors

ECM1-5

- Lighting
- Lighting Controls
- HVAC Controls (Thermostats)
- Plug Load Controls
- Insulation/Air-sealing

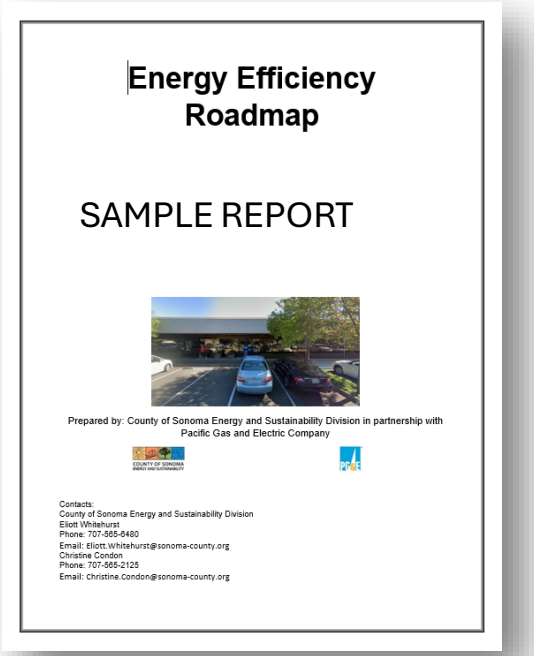

ECM10-11

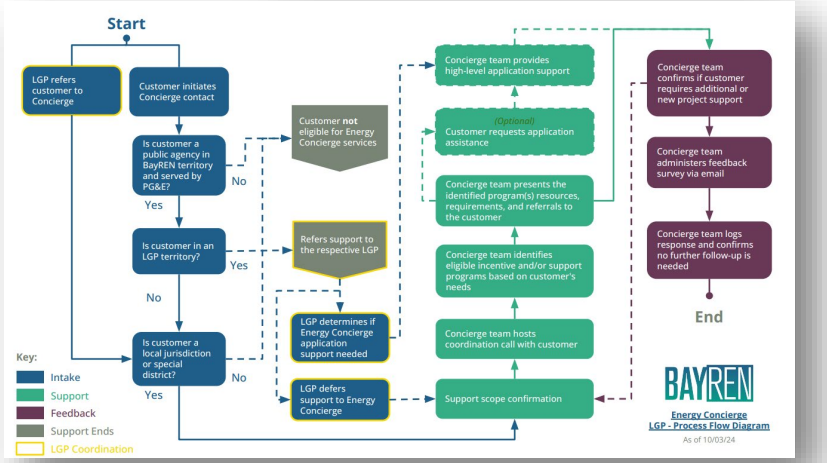

- Energy Management System
- Energy Star / EE Purchasing Policy

Near Term (1 year)

Mid Term (2 years)

Long Term (3+ years)

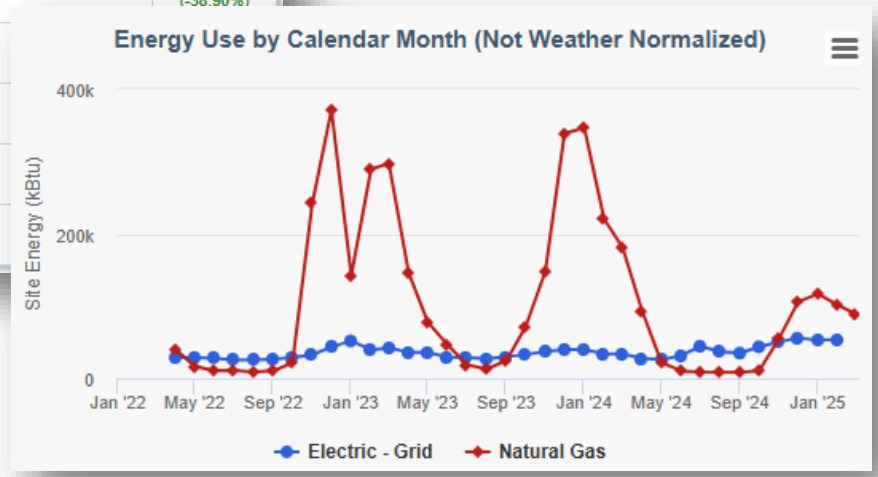

COUNTY OF SONOMA
ENERGY AND SUSTAINABILITY

ENERGY STAR® Portfolio Manager®

- Interface with Building Operators and Utility Representatives
- Assistance with data input & analysis

Metrics Summary

Metric	Mar 2023 (Energy Baseline)	Mar 2025 (Energy Current)	Change
ENERGY STAR Score (1-100)	Not Available	Not Available	N/A
Source EUI (kBtu/ft²)	66.0	51.8	-14.20 (-21.50%)
Site EUI (kBtu/ft²)	46.3	28.3	-18.00 (-38.90%)
Energy Cost ($)	71,054.39		
Total (Location-Based) GHG Emissions Intensity (kgCO2e/ft²)	2.59		
Water Use (All Water Sources) (kgal)	206.0		
Total Waste (Disposed and Diverted) (Tons)	Not Available		

Examples of Program Resources

financing

over 100 improvements made affordable

Including Energy efficiency, Wildfire safety and Seismic strengthing.

SONOMACOUNTYENERGY.ORG/FINANCING

- Terms (10 or 20 years); fixed interest rate; Low fees
- Paid back through the County Tax Bill system
- No income or credit qualifying
- Over 100 eligible improvements
- Residential, Multi-family, Agricultural, and Commercial

Connecting to Additional Financing Resources

GoGreen Business Energy Financing
administered by the State of California

Private market financing provided through a state-administered and utility-supported program offering attractive interest rates and terms, with option for convenient repayment through utility bill

- Progress payments and pre-funding available
- Customer credit approval within hours
- Ability to finance up to $5 million through an equipment lease, service agreement or loan
- Broad list of prequalified efficiency measures and streamlined pathway for custom projects
- Financing may include distributed generation and non-energy measures

A great option when:

- Customer does not meet utility bill pay history requirements for OBF
- Project includes measures that don't qualify for OBF or won't meet utility payback requirements
- Customer needs to begin project immediately

On-Bill Financing (OBF)
offered by each of California's investor-owned utilities

Ratepayer-funded financing provided through a utility-administered program offering interest-free, unsecured loans with convenient repayment through the customer's utility bill

- No origination fees or loan costs
- No prepayment penalty
- Utility-approved measures eligible for financing; utility underwrites and approves projects
- Financing available up to $250,000 per premise; maximum financing limits vary depending on the customer's utility provider
- Projects must demonstrate energy savings, and loan size is based on the customer's projected energy costs

A great option when:

- Customer wants 0% interest rate
- Measures in the project qualify for OBF
- Project cost falls within OBF minimum and maximum range

Did you know that GoGreen Business and OBF can be combined?

Use these two options together to provide full support for your next energy efficiency project.

Sonoma Clean Power
Customer Center

Your local energy provider.

We tailor our services for our customers' needs. Because you are a shared customer of SCP and PG&E, you'll gain access to SCP's exclusive customer benefits, while maintaining eligibility for PG&E energy upgrade rebates.

- Understanding billing and time of use
- Bill analysis
- CleanStart and Evergreen options
- Work directly with your account manager

741 4th Street, Santa Rosa

https://sonomacleanpower.org/customer-center

Commercial Programs

BayREN Business
BayREN Refrigerant Replacement (BRRR)

BayREN Business

- Pay for performance (P4P) program
- Tracks *actual* savings at the meter
- Aggregators paid based on *actual* energy savings

Photo Credit: SFE Staff

BayREN Business

- Any measure is allowed as long as it shows savings at the meter
- Aggregators do lighting, limited refrigeration and limited HVAC measures

Photo Credit: Microsoft 365

BayREN BRRR (Refrigerant Replacement)

Our goal is to help small food and floral businesses reduce:

- 70+ certified Green Businesses in Sonoma County
- 30+ Sonoma Green Business certifications in process
- 42 programs statewide
- 4000+ recognized businesses

What Makes a Green Business?

Reduced Water Use
Low flow toilets and auto-off faucets

Conserve Energy
Upgrade lighting and equipment to save energy

Commute Sustainably
Promote and incentivize alternative transportation for employees

Prevent Pollution
Eliminate and/or properly dispose of harmful chemicals

Use Non-Toxic Cleaners
Use safer, environmentally preferable cleaning chemicals

Avoid Waste
Eliminate unnecessary packaging, printing, and purchasing

Recycle Materials
Divert waste from the landfill through reuse, recycling and composting

Hire Local Vendors
Working locally means less vehicle use

What do we do:

1. Provide technical assistance to businesses with an easy-to-use sustainability framework

2. Promote businesses that make changes that save money by conserving resources

3. Provide a green marketplace for consumers to vote with their dollars

Program Benefits: What do I get?

- Access to rebates and funding, free marketing & promotions.
- Use of Green Business logo
- Window decals
- Green Business Certificate signed by Sonoma County Board of Supervisors
- CA Green Business Directory listing
- “Shop Green” Phone app
- Mixers & Award Ceremonies
- Social media promotion
- Print & Digital Advertising
- Marketing Toolkit

Green Business Focus Areas

- ENERGY
- POLLUTION PREVENTION
- SOLID WASTE
- TRANSPORTATION
- WASTEWATER
- WATER
- COMMUNITY

Energy

Measures:

- Regularly schedule HVAC maintenance
- Use energy efficient lighting
- Have or commit to purchase ENERGYSTAR office equipment/appliances

Pollution Prevention

Measures:

- Use non-toxic cleaning products
- Use IPM-compliant pest control
- Dispose of universal waste properly

GREEN SEAL CERTIFIED

SAFER CHOICE
Meets U.S. EPA Safer Product Standards
epa.gov/saferchoice

UL ECOLOGO
PRODUCT CERTIFIED FOR REDUCED ENVIRONMENTAL IMPACT. VIEW SPECIFIC ATTRIBUTES EVALUATED: UL.COM/EL
UL XXXX

Solid Waste

- Recycle and compost and la waste bins
- Use reusable dishware in break room
- Purchase paper products with recycled content
- Eliminate single-use water bottles
- Eliminate polystyrene/ styrofoam
- Set 2-sided printing as the default
- Eliminate single-use coffee pods

Transportation

Measures:

- Offer employee commuting options
- Switch to low-emission vehicles
- Install or provide information about nearest EV charging stations

Wastewater

Measures:

- Protect nearby storm drains
- Cover dumpsters/other containers

Water Conservation

Measures:

- Install low-flow faucet aerators, toilets, urinals & showerheads.
- Check for and repair all leaks
- Adjust irrigation scheduling seasonally
- Water during non-daylight hours
- Use native or drought tolerant plants

CERTIFICATION PROCESS

STEP 1 - Register on the on-line tracker

STEP 2 - Review measures together

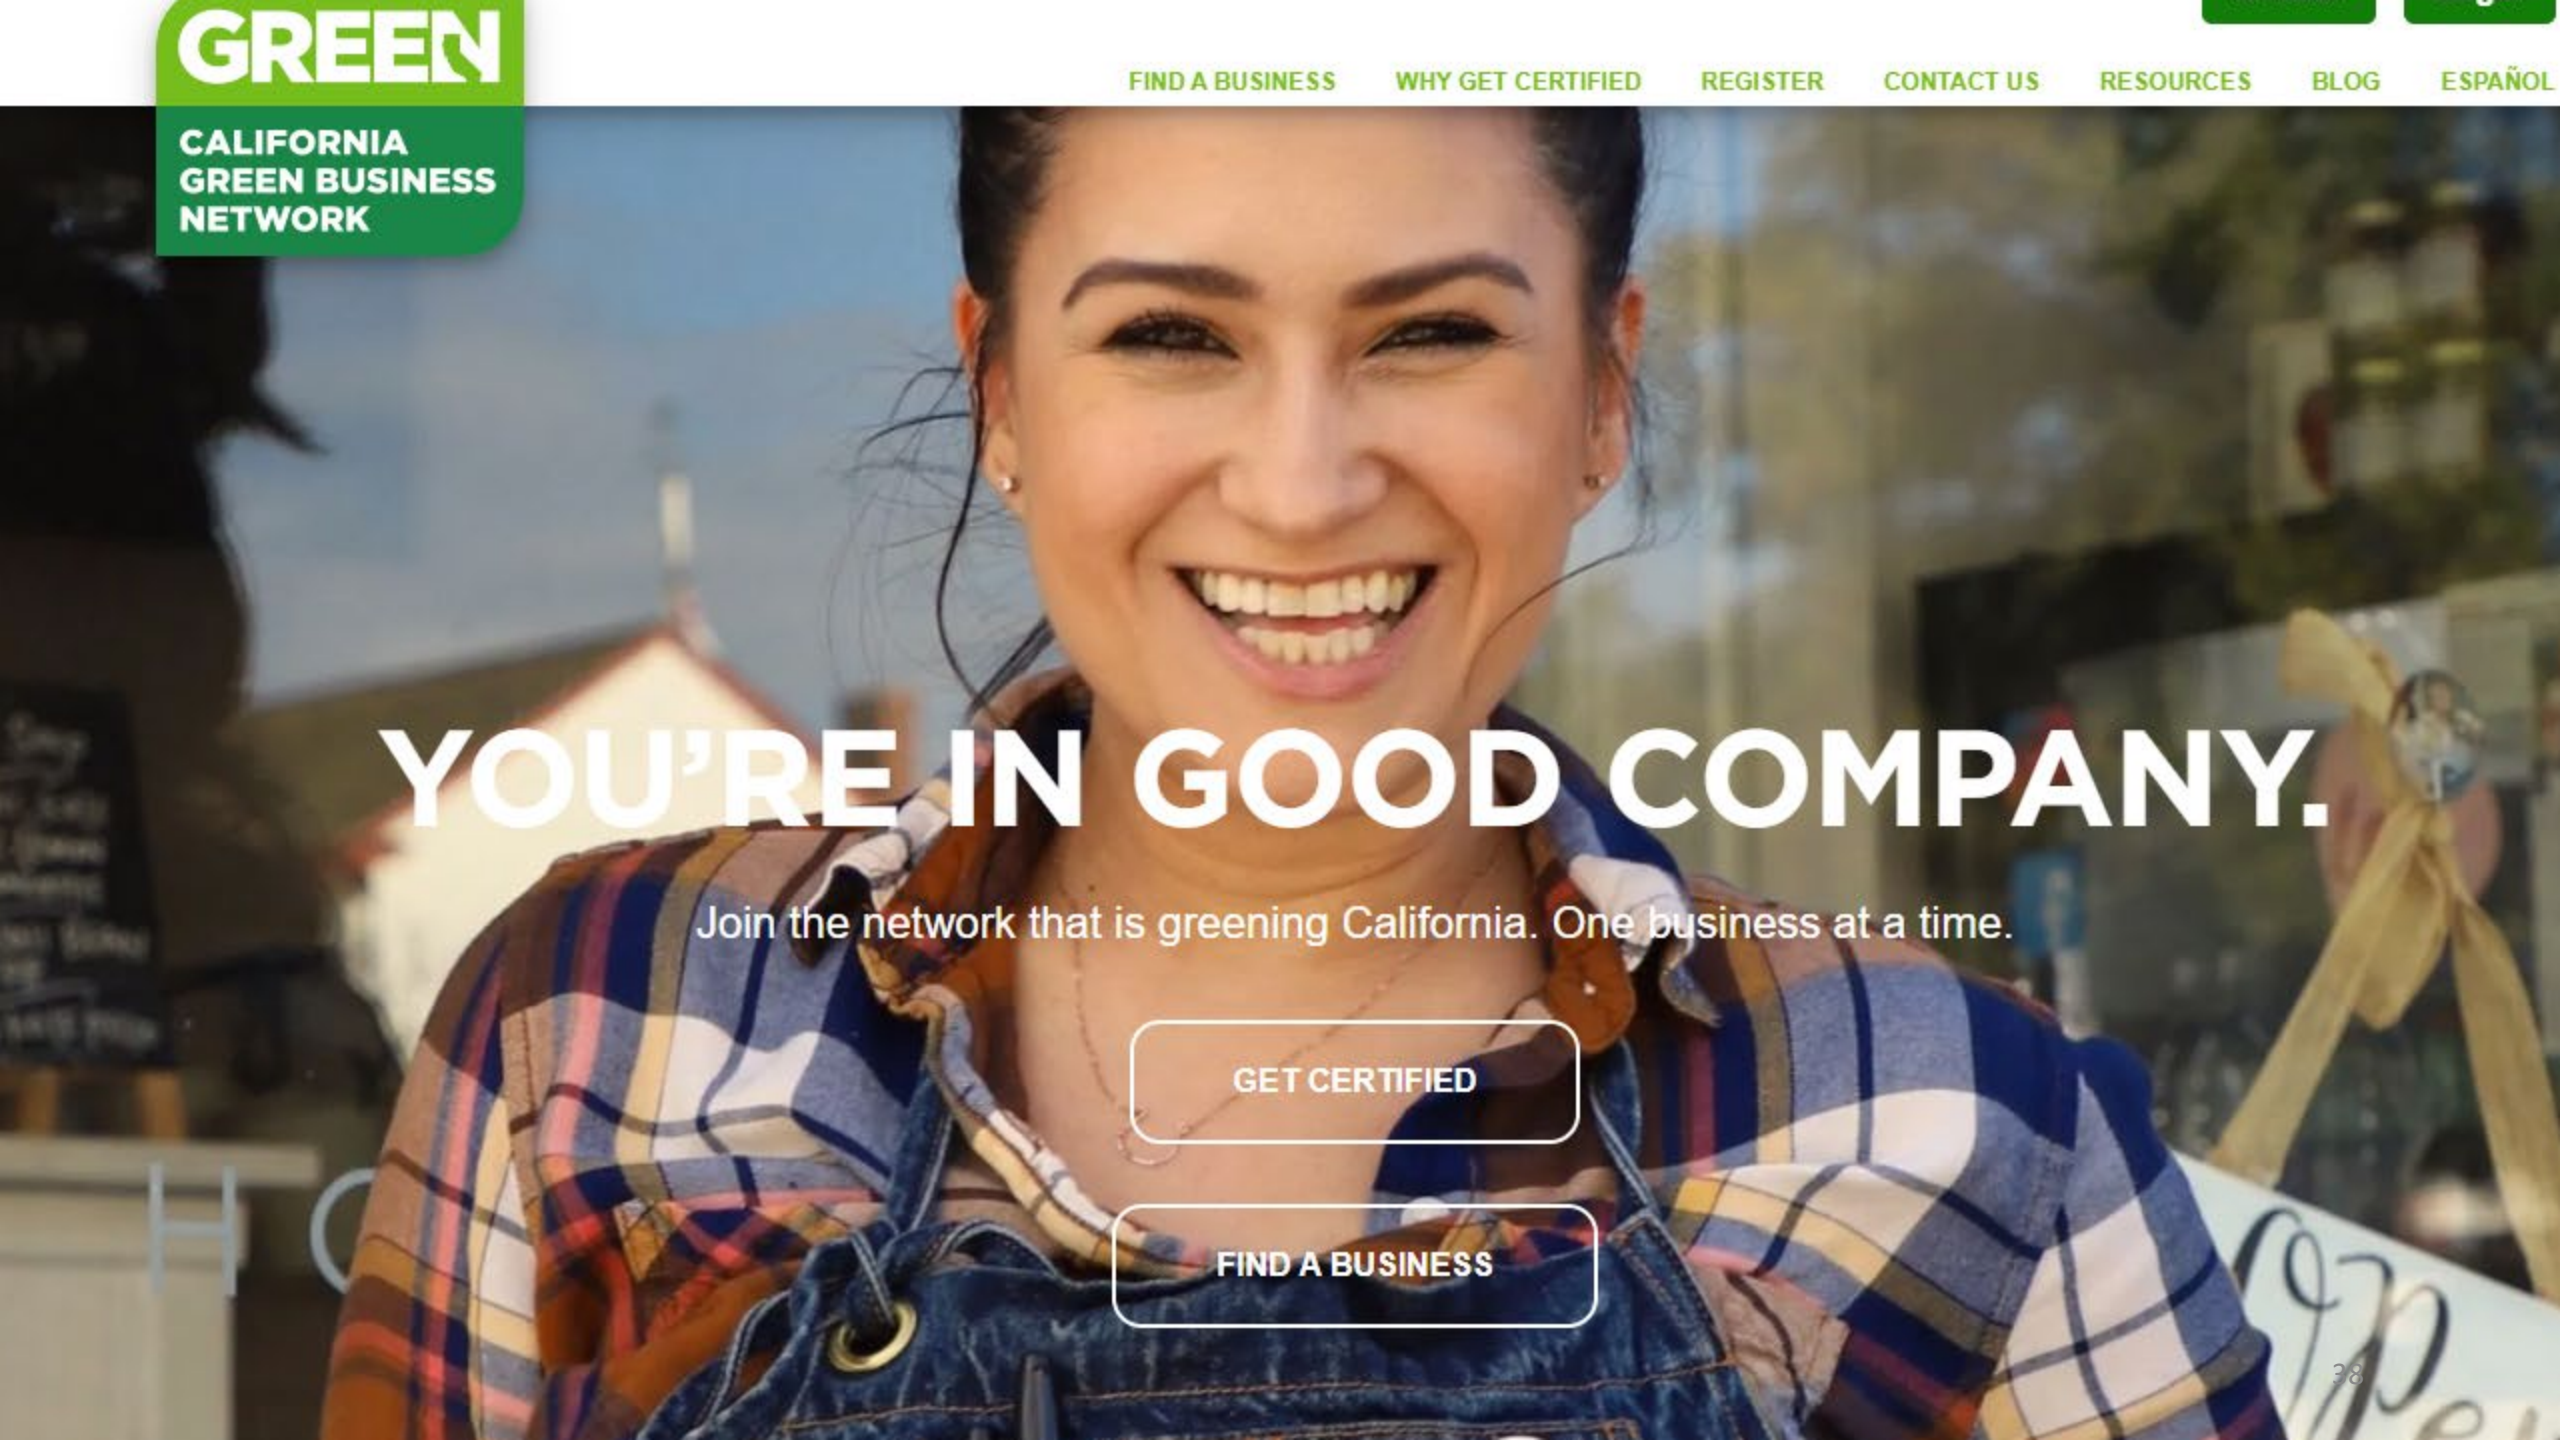

STEP 3 - Implement measures, with help and resources

STEP 4 - Audits and compliance checks

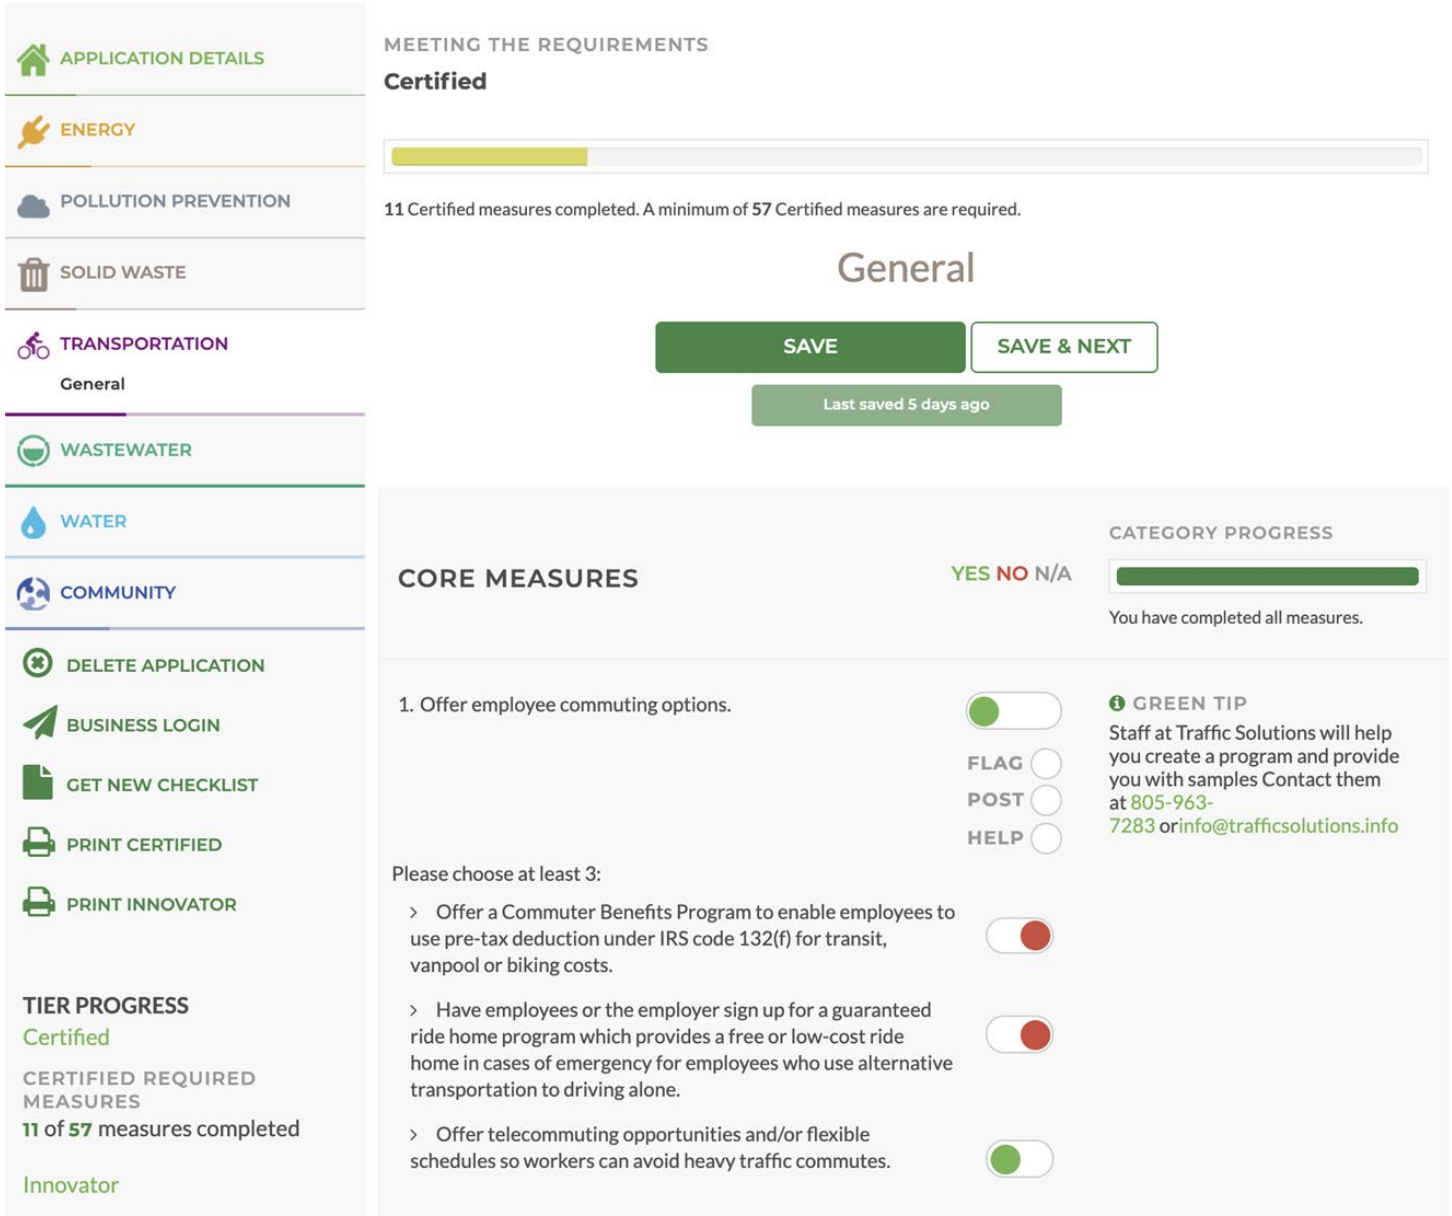

STEP 5 - Certification!

Recursos para Negocios en el Condado de Sonoma

COUNTY OF SONOMA | ENERGY & SUSTAINABILITY

¡Bienvenidos!

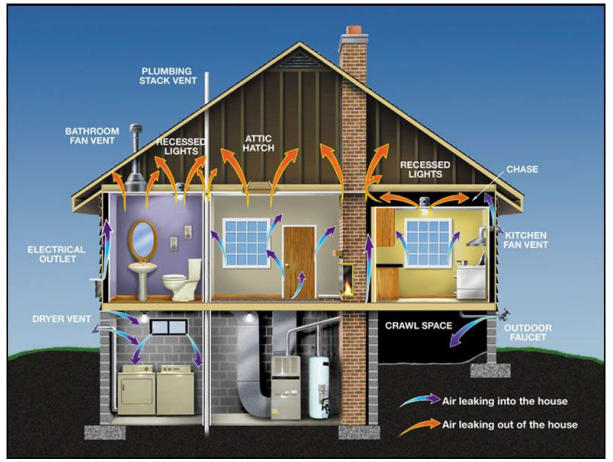

Presentado por:
Leslie Granados
Especialista de Programas
Condado de Sonoma
Energía y Sustentabilidad

Los Mejores Edificios Comienzan Aquí

Edificios Más Saludables

Sea Resiliente

Independencia Energética

Ahorre Dinero, Energía y Agua

Mejores Edificios – Lo Que Hacemos

- Visitas al Sitio y Auditorías de Edificios
- Talleres de Sostenibilidad
- Financiamiento y Reembolsos
- Certificación Green Business
- Lista de Contratistas Calificados
- Entrenamientos Especializados

Consultoría y Planificación de Proyectos

COUNTY OF SONOMA
ENERGY AND SUSTAINABILITY

Recursos para Negocios pequeños-a-medianos

- **Servicios**
  - Evaluar de uso de energía y los sistemas de los edificios
  - Crear una Guía de Eficiencia Energética (Energy Efficiency Roadmap) como un plan para mejoras y ahorros
  - Conectar a clientes con programas de recursos para sus necesidades (incentivos y financiamiento)
  - Ayudar con una evaluación utilizando Energy Star Portfolio Manager
  - Proporcionar asesoramiento técnico y ayuda en planear sus proyectos
  - Certificación de Green Business (Negocios ecológicos)

En el condado de Sonoma, los programas públicos de BayREN complementan a los programas de PG&E LGP para que el Condado pueda ofrecer un suite lleno de servicios.

PG&E

BAYREN
Local Governments Empowering Our Communities

Guía de Eficiencia Energética

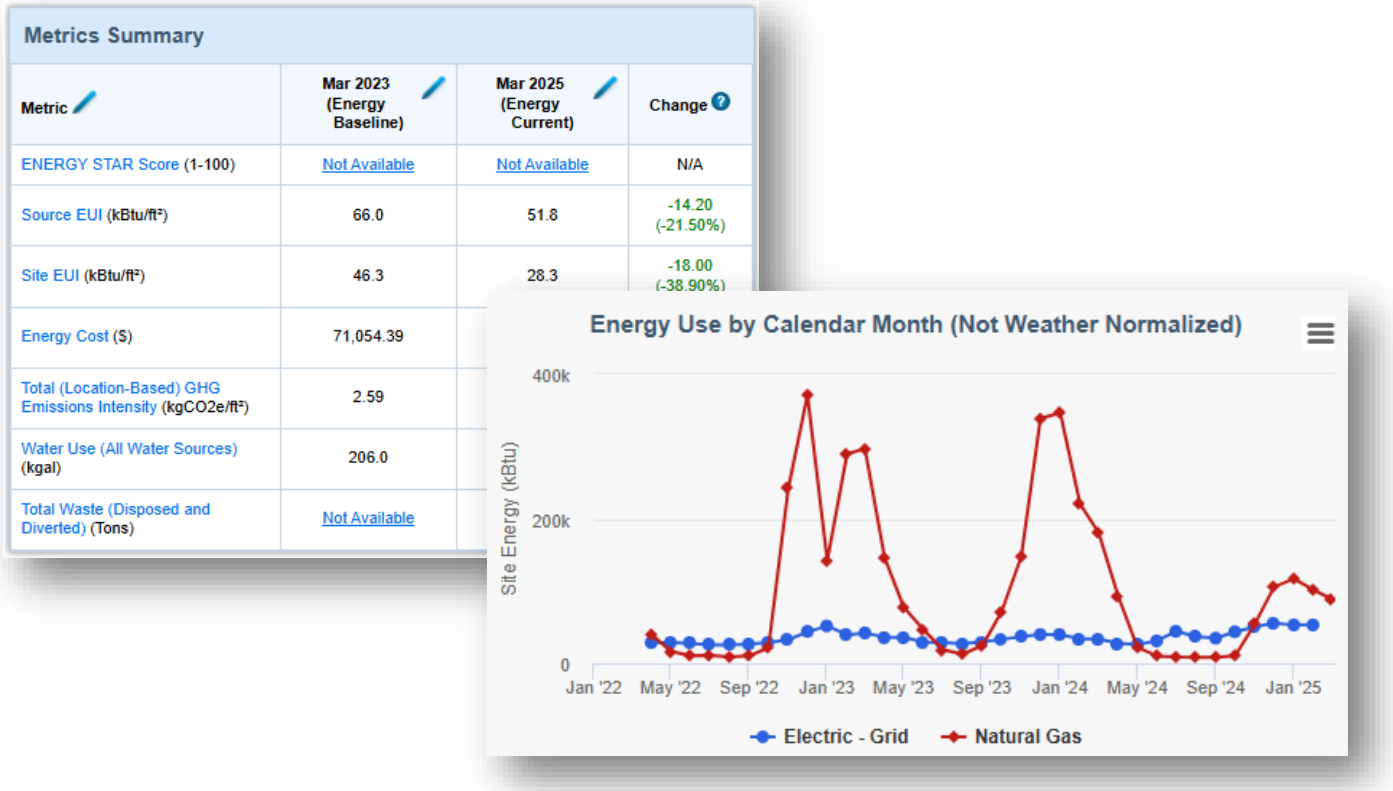

(Energy Efficiency Roadmap)

- Completamente gratuito
- Optimizar eficiencia de energía
- Evaluar y priorizar actualizaciones
- Crear un plan de proyectos
- Identificar medidas de eficiencia energética a corto/medio/largo plazo
- Reportes completos para presentar a encargados

COUNTY OF SONOMA
ENERGY AND SUSTAINABILITY

ENERGY STAR® Portfolio Manager®

- Interfaz con operadores de edificios y representantes de servicios públicos
- Asistencia con análisis de datos

Metrics Summary

Metric	Mar 2023 (Energy Baseline)	Mar 2025 (Energy Current)	Change

Ejemplos de Recursos y Programas

financing

over 100 improvements made affordable

Including Energy efficiency, Wildfire safety and Seismic strengthing.

SONOMACOUNTYENERGY.ORG/FINANCING

- Plazos (10 o 20 años); tasa de interés fija; Tarifas bajas
- Pagado a través del sistema de facturas de impuestos del condado
- Sin ingresos o calificación crediticia
- Más de 100 mejoras elegibles
- Residencial, Multifamiliar, Agrícola y Comercial

Más programas de financiamiento

gogreen FINANCING™

Beneficios

- Financiamiento del 100% de los costos del proyecto
- Amplia lista de productos, entre los que se incluyen préstamos, alquileres, acuerdos de financiación de equipos.
- Financiación de medidas no relacionadas con la energía.
- Opciones de flujo de caja positivo gracias al ahorro de energía.

Proyectos Que Califican

- Equipo de agricultura
- Aparatos electrodomésticos
- Envolvente de edificios
- Servicios alimenticios
- HVAC
- Climatización
- Equipo industrial
- Iluminación
- Refrigeración
- Calentadores de agua y más

Sonoma Clean Power
Customer Center

- Comprendiendo su factura de energía y el tiempo de uso
- Análisis de factura
- Opciones de CleanStart y Evergreen
- Trabaje directamente con su administrador de cuenta

Su proveedor local de energía.

Adaptamos nuestros programas a las necesidades de nuestros clientes. Debido a que usted es un cliente compartido de SCP y PG&E, obtendrá acceso a los programas exclusivos para clientes de SCP, mientras mantiene la elegibilidad para los reembolsos de actualización de energía de PG&E.

Gerentes,
Empleados

Certificación de Negocios Sustentables

Certifíquese como un negocio ecológico hoy

Beneficios:

- Asistencia técnica gratuita en materia de energía, agua y residuos
- Mejora del bienestar y la productividad de los empleados
- Reconocimiento local y estatal
- Ahorros en utilidades
- Ventaja de promoción
    - Publicación en la base de datos estatal
    - Acceso a material de marca y uso del logotipo
- Mayor visibilidad local

¿Por qué Negocios Verdes?

Estructura para Sostenibilidad

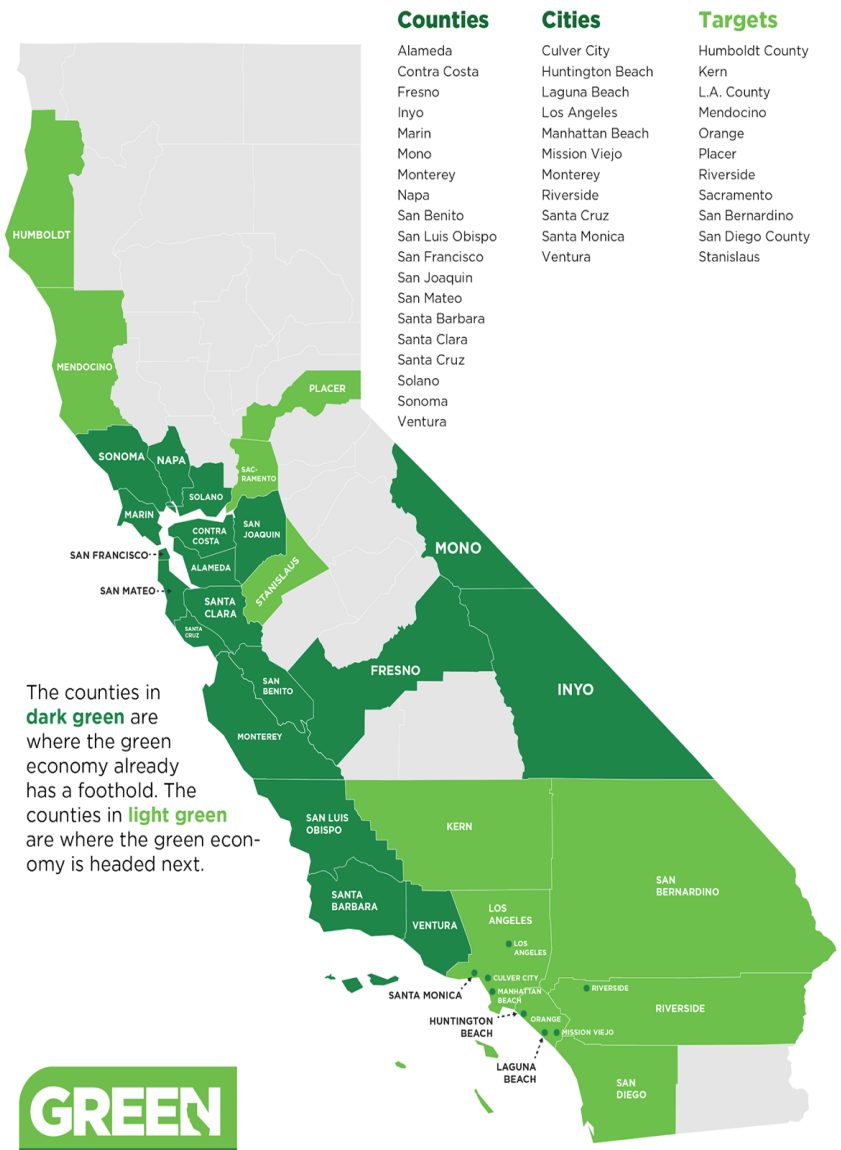

Reembolsos y Recursos

Reconocimiento Público

Ahorros

Ventaja de Marketing

Green Business en el condado de Sonoma

- 70+ negocios certificados en el condado de Sonoma
- 30+ negocios en el proceso de certificarse
- 42 programas en el estado
- 4000+ negocios reconocidos

¿Qué hace que un negocio sea verde?

Uso reducido de agua

Inodoros de bajo flujo y grifos con cierre automático.

Conservar Energía

Actualizar la iluminación y los equipos para ahorrar energía.

Viaja de forma sostenible

Promover e incentivar el transporte alternativo para los empleados.

Prevenir la contaminación

Eliminar y/o desechar adecuadamente los productos químicos nocivos.

Utilice limpiadores no tóxicos

Utilice productos químicos de limpieza más seguros y ambientalmente preferibles.

Evite el desperdicio

Elimine embalajes, impresiones y compras innecesarias

Reciclar materiales

Desviar los residuos del vertedero mediante la reutilización, el reciclaje y el compostaje

Contratar proveedores locales

Trabajar localmente significa menos uso de vehículos

Lo que hacemos:

1. Dar ayuda técnica a negcios con estándares de sostenibilidad fácil de usar

2. Promover los negocios que hacen cambios para ahorrar dinero y recursos

3. Proporcionar un mercado verde para que los consumidores voten con sus dólares

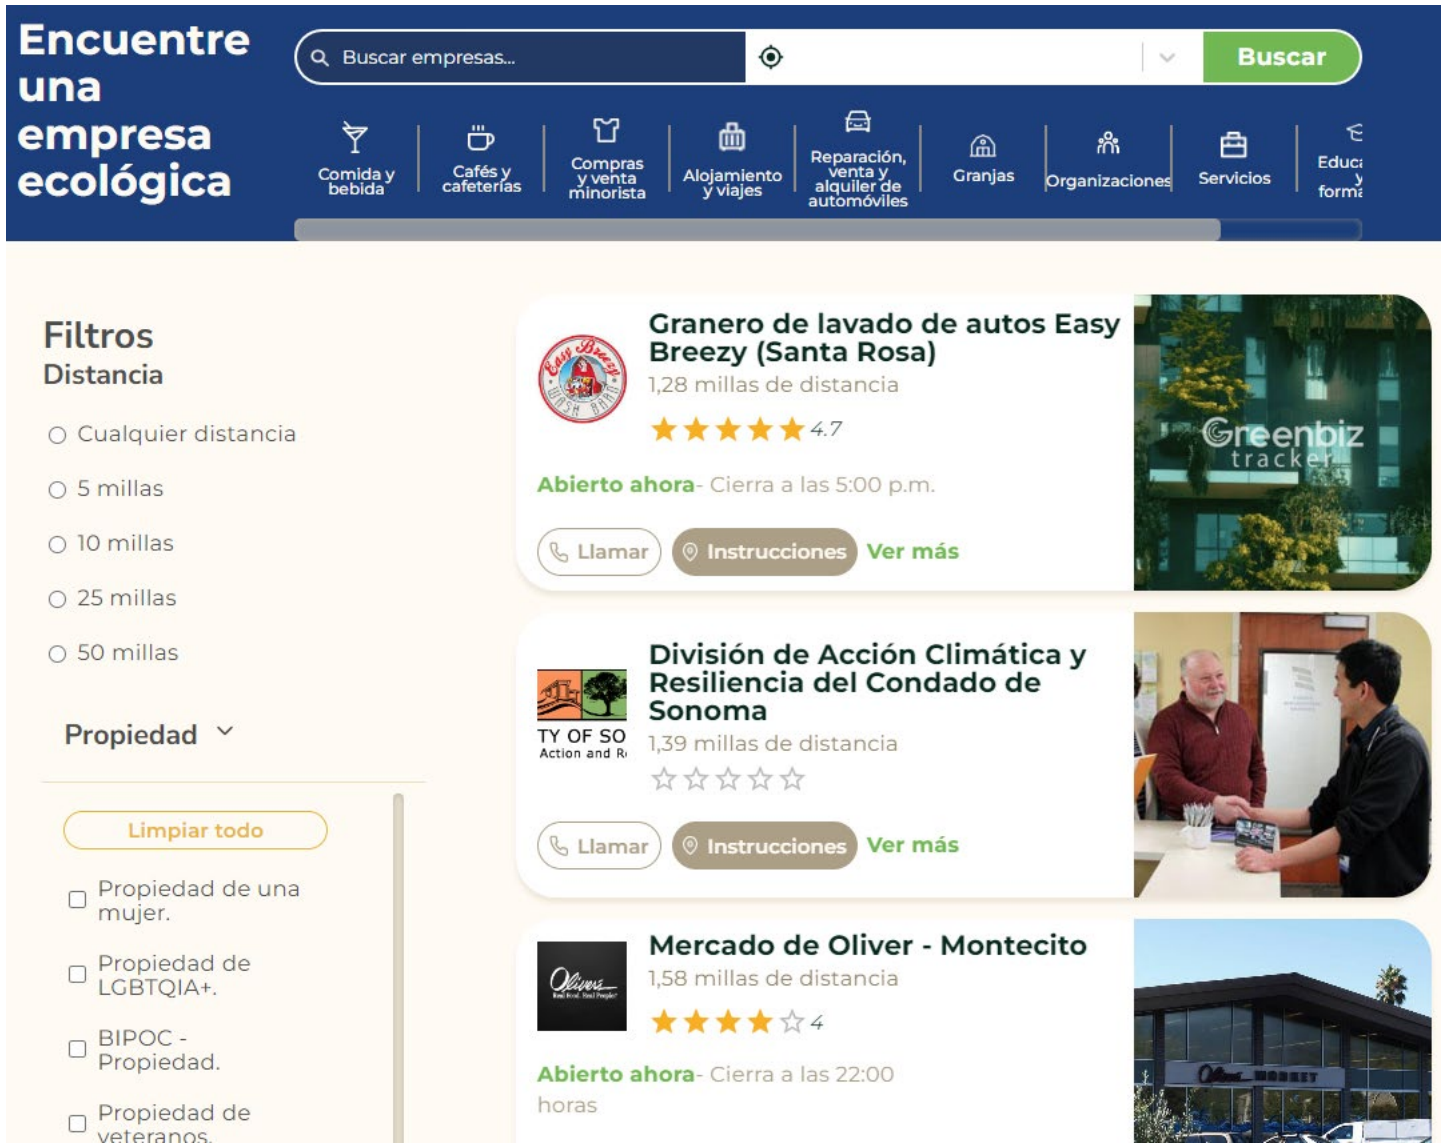

Beneficios del Programa ¿Qué recibiré?

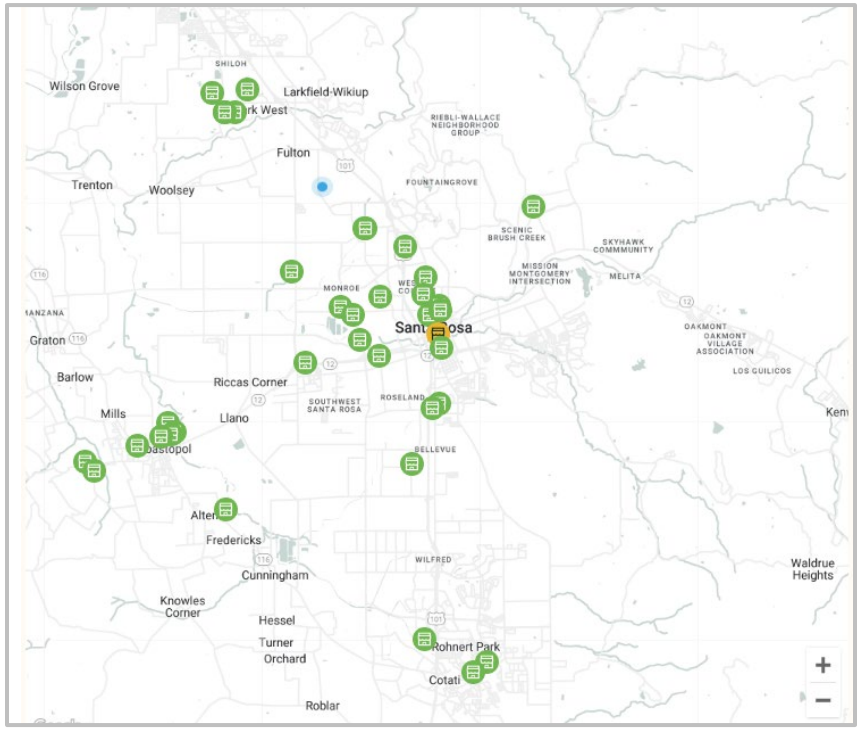

- Información de reembolsos, promoción gratuita
