PRESCHOOL PROGRAMS 2026-2027

The goal of the Town of Windsor's Preschool Program is to meet parental expectations by offering programs for young children that provide a foundation for lifetime learning and a strong sense of community in a nurturing environment. Each of the three programs described below offer a different focus and all provide a 6:1 teacher to student ratio. To keep the rates affordable, families are charged for days of operation only with no fees charged on closures due to holidays with the exception of allocating three Public Safety Power Shutoff (PSPS) closure dates for each program session for the school year. School will be closed on the following holidays: 9/7, 11/11, 11/23-11/26, 12/21-1/3, 1/18, 2/15, 3/15-3/18.

MONTESSORI IN MOTION

M&W and/or T&TH

9:00am - 12:00pm

Age: 3 - 6 years

Held at the Bluebird Center, Montessori In Motion fosters the emotional, intellectual, physical, and social development of the whole child by addressing the uniqueness of each child in a nurturing, emotionally supportive, and enriching academic environment. Children participate in a variety of hands-on activities and work at their own pace allowing them to reach their potential in all areas of development. The inviting learning environment emphasizes grace and courtesy, and collaborative play. The curriculum areas include practical life (care of self and care of the environment), sensorial (activities that educate through the five senses), math, language, science, culture, music and art. Daily Spanish is integrated into our curriculum. An engaging circle time and outdoor play completes this joyous experience. These educational endeavors lay a solid foundation for kindergarten readiness and academic success as well as life skills. The children will bring a lunch to school each day. This provides the student opportunities to practice independence, preparation of meal space, table setting, manners and clean-up. Upon enrollment, children must be fully toilet trained (no pullups please).

CHILDREN'S CIRCLE

M&W and/or T&TH

9:15am - 12:15pm

Age: 2½ - 3½+ years

Held at the Windsor Community Center, Children's Circle provides a nurturing, learning environment in a small group setting. It is an ideal class for those children who are coming to "school" for the first time. Through stories, songs, cooking, and playing, children will develop the social, motor, listening, and expressive language skills which lay a solid foundation for later academics. We encourage each child's natural creativity, and their desire for exploration and discovery. Parents are asked to contribute a nutritional snack once a month for the entire class. In this class, we can accommodate children who are partially toilet trained (pull-up pants, no diapers please).
