Infant & Toddler Caregiver Playgroups

During this **no cost program,** caregivers with infants and/or toddlers will join an 8 week cohort where participants will help their child grow new skills, practice their fine and gross motor skills, participate in music, art, and STEM activities, learn about developmentally appropriate caregiving techniques, and build a community of support with fellow caregivers. Families can also participate in our drop-in play option available after the playgroup. Participants will receive a Baby Welcome Bag (while supplies last), and refreshments are provided at each class. Spanish speaking staff are on site to greet and work with families during the playgroup and the drop-in play options. Infant/toddler tumbling play equipment supplied by Wee Play Santa Rosa. Funding provided by County Measure I: Our Kids, Our Future and First 5 Sonoma County.

September 2026

Playgroup Cohort

Fridays, 9/11/26 - 10/30/26
9:00 - 10:30 AM
Infants & Toddlers
8 weeks - 2 years
